

Fees and financial support

The course fees for 2024 to 2025 are as follows:

Student type	Fees to pay
UK students	£9,250
International students	£17,400

Advice from Get Into Teaching **Financial support from the government**

You may be eligible for a student loan. These are normally for undergraduate courses but you can also apply if you do postgraduate teacher training. [Find out how much loan you could get using the student finance calculator.](#)

Depending on your immigration status, financial support may not be available. Find out about [training to teach if you're a non-UK citizen](#), including financial support.
